RANCHO ALAMITOS HIGH SCHOOL
GARDEN GROVE, CALIFORNIA

Foreword

A baby taking its first steps is weak and wobbly — but to its doting parents those first steps are historic, monumental, earthshaking.

In Rancho's first year many new steps have been taken into new, untrod territory. Each step is important because it sets a pattern for events that follow.

Thus, we have chosen **Firsts** as the theme for this year's annual. We have seen many firsts at Rancho this year. We have seen our young student body setting forth on wobbly legs into new experiences. We have been privileged to be a part of this young student body and thus its first steps have been our first steps.

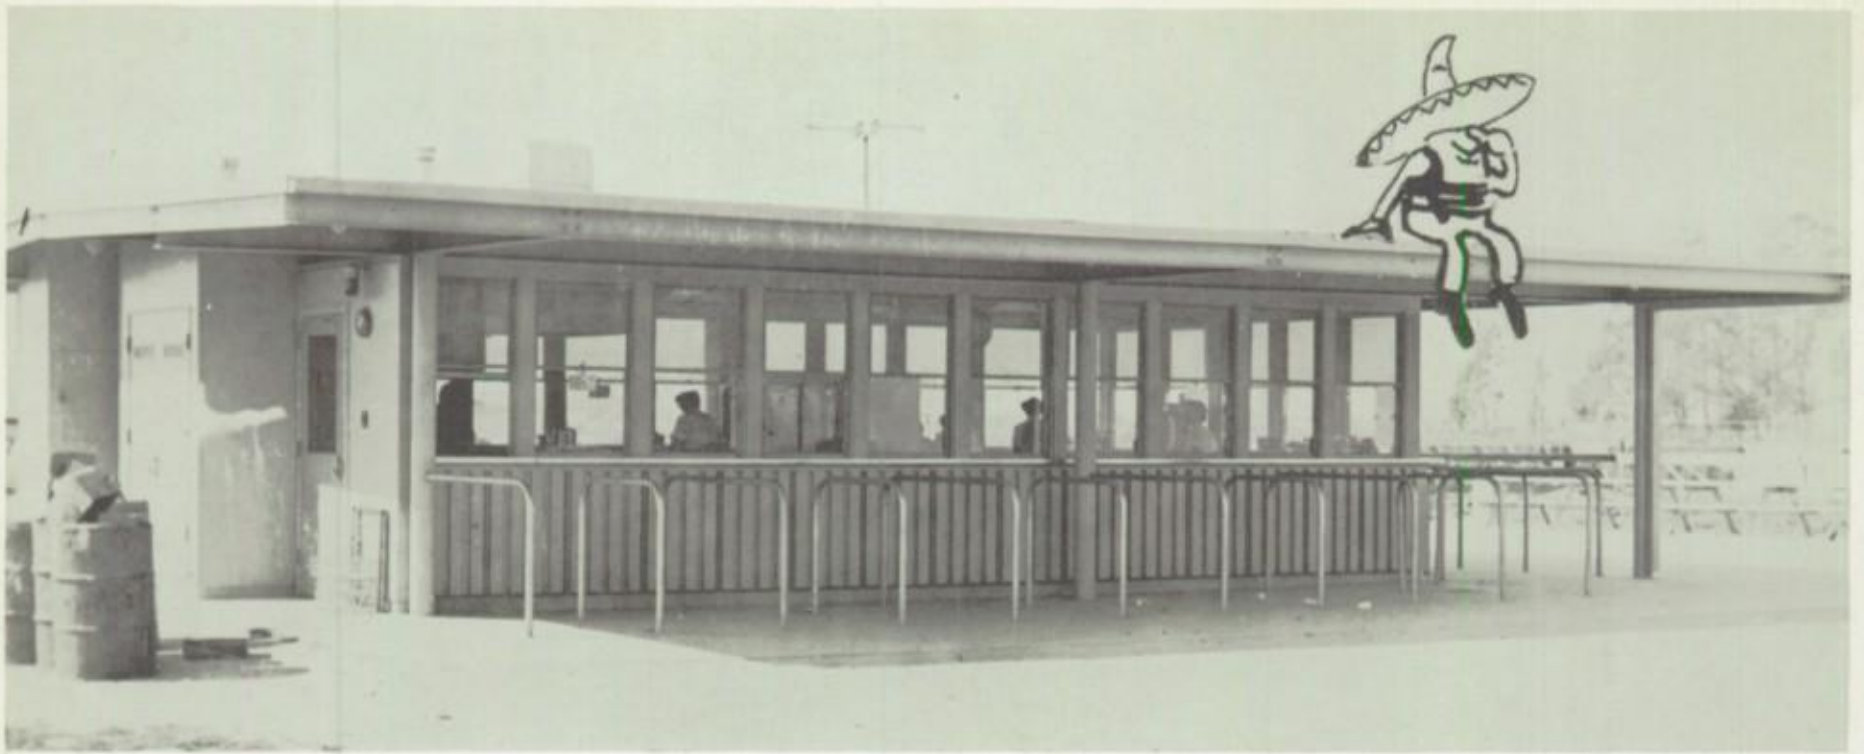

We hope the steps taken by future Vaqueros in Rancho's student body will be more sure and confident because of the groundwork laid by us.

A BEAUTIFUL NEW LIBRARY to organize and hundreds of new books to process was the job facing Mrs. Virginia Kirkman, librarian, and Mrs. Dorothy Smith, assistant, when school opened last fall. Mrs. Kirkman (top left) and Mrs. Smith (top right) pounded typewriters steadily those first few weeks. Within a month after the opening of school they finally emerged from behind the high stacks of books and the library was open for business. Lower left — Lucia Trujillo receives reference help from Mrs. Kirkman. Lower right—Karen McKillop helps reshelve books.

THE QUAD IS A BUSY PLACE during snack and lunch periods when we spread out on the green lawn and relax between classes. When we returned to school last fall one of the first things we noticed was that grass, shrubs and trees had transformed the dusty rectangle into a campus landmark. Evidence that our campus is still growing is gymnasium construction.

LITTLE VAQ couldn't wait until lunch time so he used his irresistible charm to persuade snack bar staff to sell him hamburger. The ladies gave in on condition that he find an inconspicuous place to eat it so the other students would not see him.

THE SNACK BAR AND BOOKSTORE were completed last summer and ready for use when school opened. Both provide indispensable services to students. (Left) Mr. Les Reafsnyder, in charge of bookstore, sells notebook to Betty Cobb.

Juanita Gordon, Norma Jean Yeager, Nadene Cuptill and Mildred Stewart prepare food every day to be served at Snack Bar. Not in picture is Peggy Bainter.

Administration and Faculty

The First Day of School was also Rancho's first birthday. Blowing out the birthday candles are (front, left to right) Miss Betty Coxson, Miss Isabel Gowen, Miss Adriane Lampe, and Dr. Leroy L. Doig. (Second) Mr. Donald Kennedy, Mr. William Malick, Mr. Richard Bivin, Mr. Hal Roberts and Mr. Wilbur Allen.

Keeping right in step with our theme of Firsts, Mr. Richard Bivin, is serving his first year as principal of Rancho. Last year he was vice principal and dean of boys.

Mr. Bivin attended Arizona University, University of Southern California, and Long Beach State College. He taught at Peoria and Garden Grove High. He also served in the U.S. Navy. His special interests are sports, fishing, traveling and music.

Relaxed and friendly, Mr. Bivin carries the burdens of the administration of Rancho with an unflustered, unhurried manner that inspires confidence.

District Superintendent

DR. LEROY L. DOIG, who has been district superintendent for 30 years, will retire this year, leaving a worthy record of achievement. The district enrollment was 200 with one small high school in 1928 when he took over. Tremendous growth of the city added to administrative responsibilities of the district which is now educating an all-time high enrollment of 3,494 high school students. Rancho was planned and opened during the closing years of Dr. Doig's administration and a third high school (now under way) is due to be completed in 1959. Garden Grove High School District and Rancho truly owe much to this far-sighted and able leader.

Asst. District Superintendent

RANCHO has a warm affection for Mr. Donald Kennedy, who served as principal during its first year and then moved up to become assistant district superintendent. Mr. Kennedy has served in the district since 1945 with 18 months' interruption during the Korean War. He started as a social studies teacher.

FORMULATING POLICIES AND PLANNING AHEAD are two functions of the District school board. Comprising the board are: (l. to r.) Bud Wiesner, Lawrence Wood, Robert Farrow, Marlin Mower, Carl Lehman, and Dr. Doig.

Student Government

Jim Gilbert conducts weekly student cabinet meeting. Members decide important issues in student government.

Popular senior, Jim Gilbert holds gavel this year as president of the Associated Student Body. Not only has he conducted himself with dignity and provided a worthy example for others to follow, he has provided able leadership for student affairs. Among other achievements he has served as commissioner, Junior Class president, and was mayor on Youth Day last year. He belongs to Record Club, Lettermen's Club, Science Club and Golden Spur. He also has played varsity football and baseball.

Student Body leaders, Nancy, Jim, and Ernie, get together on campus for friendly chat.

Nancy Kakuda serves ably as secretary of Student Body. Popular Nancy is a junior and will be around next year to continue to provide capable leadership and charm.

She is from a little town near Hamburg, Germany. **Jill Elliott** spent last summer in Germany as a representative American student living with a German family. **Marshall Turner** has been chosen from Rancho's student body to participate in the American Field service program next summer in some yet-to-be-named country. Finalists, along with Marshall, were **Nancy Kakuda, Rosanne Mystrom, and Leslie Rahm.**

Girls' League

Popular Jill Elliott was a very busy girl this year. She served as Girls' League president during the first semester. She had the honor of being our first Foreign Exchange student. An important part of campus life is played by our two publications — **La Voz** and **El Conquistador**, newspaper and annual. Equally important are the students working behind the scenes to produce them — writing stories, typing, copy-reading, proofreading, headlining, making-up, taking photos, writing captions, selling ads, and planning. These activities are under the direction of two editors — **Sandy Finley** of *La Voz* and **Pat Maxfield** of *El Conquistador*, with capable assistance from staff members.

Go, Go, Go

Rancho's go, go, go, football squad reversed its one league victory of last year, to one league loss this year, and skyrocketed to second place in the Orange League and a CIF berth. The first year with seniors was the last in the Orange League since a new league has been formed. The Vaqueros fell in league competition to repeating champions, Brea-Olinda, and lost twice to CIF small schools finalist, Claremont. With its seven wins Rancho outscored its toes 243 points to 141. Rancho was an offensive powerhouse, averaging 24 points per game. Scoring at least twice on every opponent, the Vaqs extended the school record of never being shut out in a varsity football game to two seasons. Rancho's clean, hustling brand of football was admired by the entire student body and victory proved sweet, as spirit reached a new peak.

The way is paved for the Brea showdown when Vaqs trip Orange 32-12. Arthur scores trio. After an even first half with Brea the Vaqs were swamped with three touchdowns, losing their only league game and the Orange League crown, but the student body carves a new mark in spirit.

G-R-R — John Van Dyke grinds out yardage for the Vaqs in victory over Capistrano. Note two Vaqs have hit the dust.

Rancho showed a tremendous surge of defense in the last few minutes against Laguna, to eke out a 13-12 victory. Four times the Artists had the ball within the five-yard line of the Vaqs with a first down.

Almost ...

Rancho Alamitos made a valiant showing against last year's CIF champs, when they were eliminated from the playoffs by losing for the second time of the season to the powerhouse eleven by one touchdown, this time 27-20. The game was full of action but losing the ball to Claremont seven times on fumbles was the clincher. The big gun for Claremont was its full-back, Bill Colby, who countered twice. A 55-yard run by Van Dyke and a 19-yard pass by Flanagan to Garcia, set up Battreal's tally from the four. Flanagan ran a brilliant 71-yard score and Van Dyke bulged through the line and went 78 yards for other Vaq tallies.

Head Coach Herb Hill scratches his head in dismay as he finds the Vaqs have drawn Claremont for the first CIF playoff game.

Rancho closed with an amazing flash of power to grab victories in the three final games, averaging 56 points in the span. The Vaqs copped six league wins this season simply because they scored more points this year. Bob Yoshioka was tops in his department, ranking fifth in league scoring. Yosh netted 29 points against Laguna for a new mark. Roger Robert was a powerful rebounder. The junior twins, Don and Bill Moriarty, along with a young, hustling "bench" formed the remaining strength of the team.

TALENT SHOW sponsored by Girls' League produced zany acts such as the one by Loretta Gottschalk (left) and Jackie Sherman (right).

VALERIE YOUNG (right) was named Girl of the Month shortly after her performance in talent show. She was probably first hillbilly Girl of the Month in history. Polly Bevan co-stars in act.

HIGHLIGHT OF FOOTBALL BANQUET was presentation of awards. Left to right: Jim Gilbert received his overdue Baseball Captain's award from last year. Dick Arthur was named "Most Inspirational Player," Dennis Vener was announced as "Vaquero of the Year," Wayne Hosack received Captain's Award; Walter Ashford was named as "Most Improved Player" and he also made "Most Tackles." Ernie Wakeham received a Sportsmanship trophy and also Scholarship award; Billy Garcia was named "Best Back," and Chuck Presley received Coaches' Award.

DECORATING Campus helped to usher in Christmas season at Rancho. Three prominent figures on campus play with some of Santa's toys.

THE COED DANCE, known as the Crystal Ball, was a big topic of conversation for weeks before the big event as girls got up nerve to ask the boys of their choice. Candidates for king and queen were Reggie Woods, Carolyn Bailey, Danny Brown, Sharon Burke, Bruce Baker, Andrea Gray, Dick Arthur, Sandra Stokke, Pat Thompson, and Larry Anderson.

COED KING AND QUEEN were Sharon Burke and Dick Arthur. Jill Elliott, Girls' League president crowns the royalty.

Homemaking department made the most of Christmas season with cooking and decoartions. Sue Stone admires edible centerpiece.

Co-ed Dance was unforgettable.

Girls admire window decorations in Homemaking cottage.

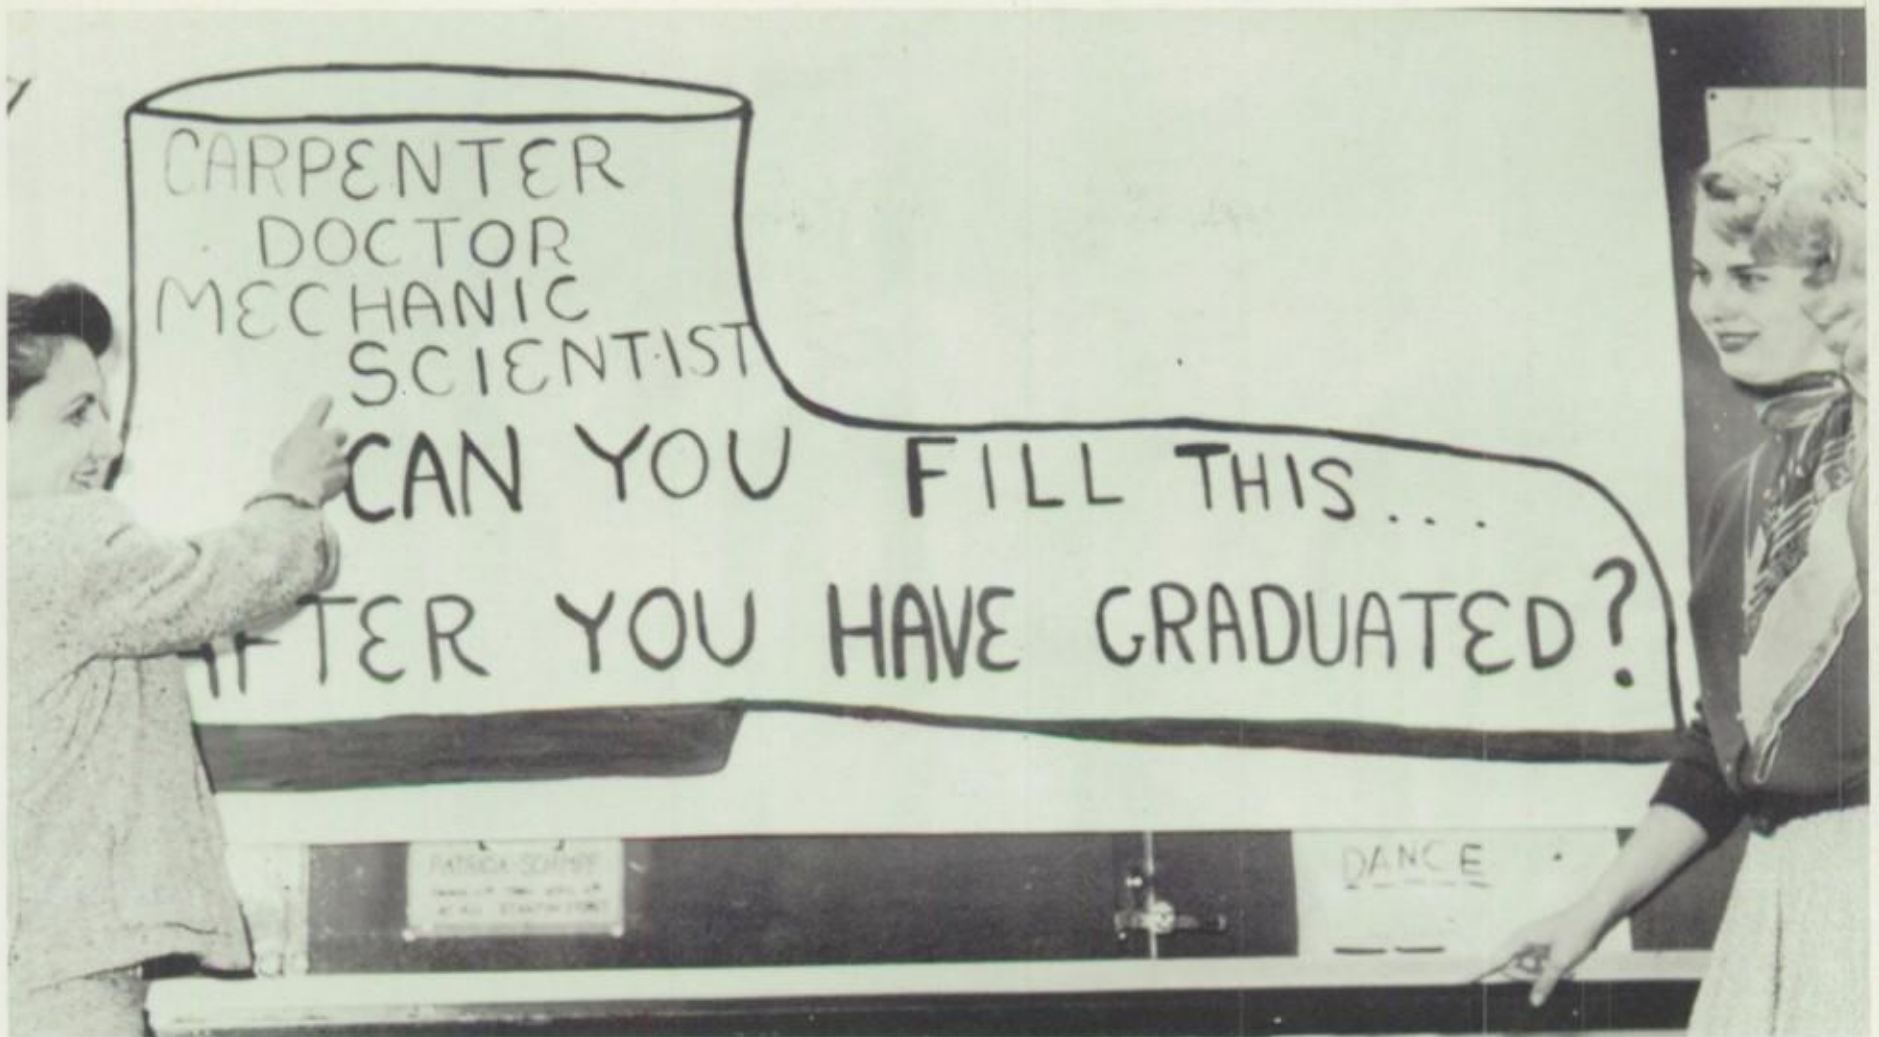

Something interesting is always going on at the agriculture farm on campus. These ag students are proud of their new-born lambs.

Modern dance act was one of many entertaining features of student body talent show.

Art classes keep busy painting posters to promote school activities. Mrs. Carolyn Wright directs service projects.

CAREER DAY brought over fifty different occupational representatives to campus to tell students about their vocations. Students could hear two different speakers. Mrs. Josephine Aten coordinated program on campus with efforts of local Kiwanis Club.

Ron Geyor brought honors to Rancho by winning Lions Club speech contest.

Mike Reedy checks over collection of bottles which were sold to aid American Field Service program. Over 200 students took part in bottle drive.

BASKETBALL TROPHY WINNERS hold awards they received at second annual basketball banquet. From left, Dick Turner was Most Valuable Player of the Dees, Phil Olsen was Most Valuable Player of the Cees. Bill Moriarity holds varsity Most Improved Player award; Dave Brown was Most Inspirational; Bob Yoshioka was tabbed Best Offensive Player; and Don Moriarity was named Best Defensive Player to round out varsity awards. Ray Dymond received the Most Valuable Player award for the Bees and George Cook was named Most Improved Player of the Bees.

"ON THE BRIDGE AT MIDNIGHT," an old-fashioned melodrama, was the first Senior Class play to be given at Rancho. Cast and crew included: front—Blair McCarthy, Darrelene Peacock, Sandy Stokke, Marilyn Greenlee, Barbara Allen, Jill Elliott, Lynn Myers, Valerie Young, Susan Reynolds, and Sharon Erickson. Standing—Mr. Dick Moomaw, director, David Hettinga, Ken Watt, Jim Gilbert, and Wayne Hosack.

FACULTY-VARSITY BASKETBALL game climaxed the winter sport season on a gay note. Both sides clowned around but got down to serious business during the game. Experience balanced the scales in favor of the faculty, thus faculty and varsity are tied for two seasons. Here Mr. Hal Butler, 6'5" track coach, has easy time out-reaching varsity for possession of the ball.

Faculty - Varsity Game

Miss Suzie Potts puts one in from the shoulders of Mr. Virgil Sessions during intermission.

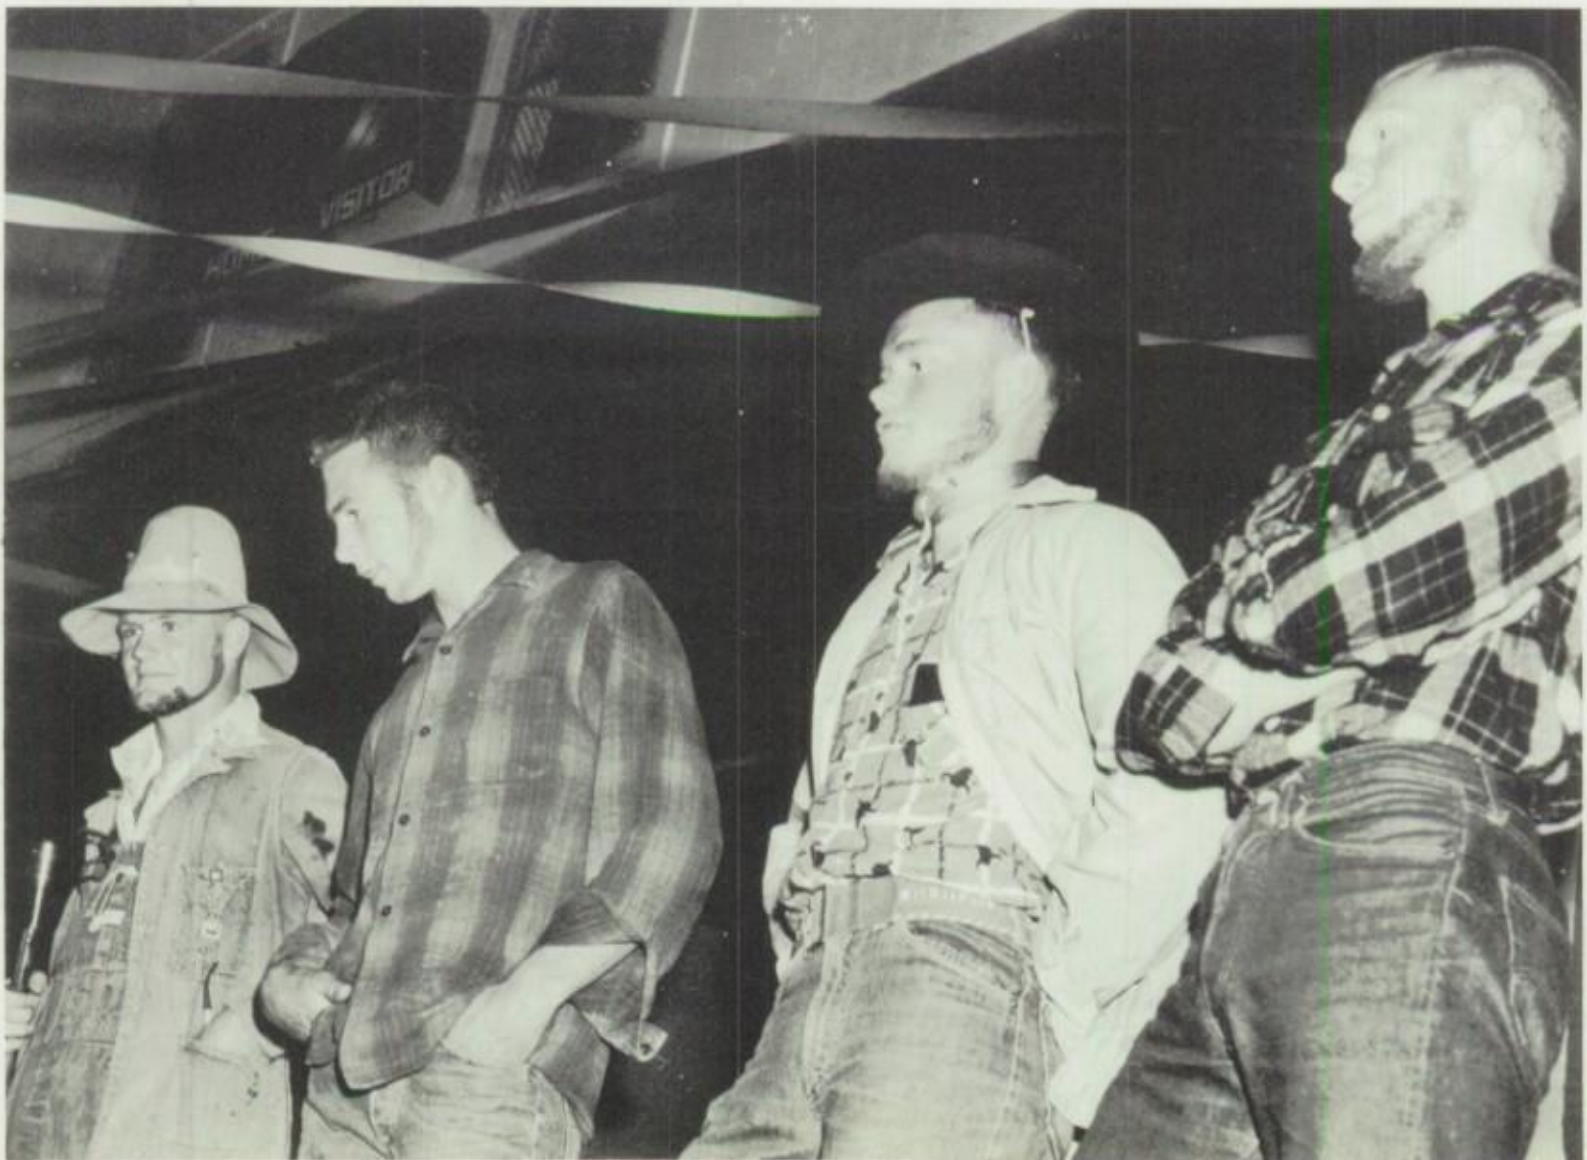

Mr. John Bassham springs lightly as he promotes a healthy yell from the faculty side of the floor. He is assisted by Mrs. Virginia Schultz.

"Aw, Shucks," says Dennis Vener, typical farmer to his barefoot country darlin', Linda Rotz.

Beard contestants from left are: Dick Arthur, Chester Hunt, Derial Ohmer, and Neil Lamph. Neil won by a hair, of course.

Sittin' down a spec and enjoyin' a fresh sip of moonshine are a few of the couples who enjoyed themselves cutting up at the Farmers' Ball.

Farmers' Ball

"Or forever hold your peace," says preacher, Roger Roberts during shotgun wedding at Farmers' Ball. Ernie Wakeham and Sharon Erickson are quaking couple. Gun-toting pa is Dick Arthur and Susan Reynolds is irate ma.

Editor's Postscript

Much has happened since the last (and first) edition of **El Conquistador**. We hope this annual will remind you of all the fun you had this year. We tried to take pictures to cover as many phases of school life as possible.

Since memories alone are incapable of holding all the aspects of the 1957-58 school year, this book will live. The book will live until it is consumed by some hungry, old trunk in a corner of the attic. Even then the book will not be dead. While trapped in this dark and musty prison it maintains a terrific amount of potential energy which bursts out in a maze of colorful and precious memories whenever the book is re-opened.

Now my job as editor is finished, except to express my sincere appreciation to all who helped make this a memorable book.

Special thanks go to **Reggie Woods**, our cartoonist; **Dick Rohweder** and **Mike Reedy**, photographers; **Pat Crenshaw**, business manager; **Tony Afdahl**, sports editor; and **Lynn Myers**, copy editor; for all the hours of work they did.

Thanks also to **Jan Land**, **Sue Allen**, **Linda Huggins**, **Melvina Howard**, **Judy Reed**, **Linda Hanover**, **Sheryl Anderson**, **Mike Robinson**, **Sandy Finley**, **Ron White**, **Jo Ann Luthin**, **Valerie Ball**, and **Judy Harker**, who each helped in some way.

Mr. Dick Beam of Robert's Studio, the staff of **Yearbook House**, **Mr. Harry Caywood** of S. K. Smith Covers, and the **Garden Grove Daily News** all furnished technical advice and assistance which were invaluable.

Without the help of our journalism advisor, **Miss Betty Coxson**, our problems would never have been solved. To you, Miss Coxson, I would like to extend the staff's and my most sincere thanks and gratitude.

It has been hard work, but also fun putting out this book. I'm glad it's over . . . but I'd do it again. So long for now,

Pat Maxfield
